

READ & PUBLISH (TRANSFORMATIVE) AGREEMENTS PART-I

American Chemical Society (ACS)

"Read and Publish" agreement has been made between ANKOS and ACS. Your publications as the corresponding author will be published in ACS journals as Open Access without any APC. The agreement covers all ACS journals, including ACS Omega, JACS Au, the ACS Au collection, and ACS hybrid journals.

To access the journals included in the agreement and to view the steps in the publication production process:

<https://acsopenscience.org/customers/ankos/>

Association for Computing Machinery (ACM)

"Read and Publish" agreement has been made between ANKOS and ACM Digital Library. According to the agreement, the publications you make as the responsible author will be published Open Access without paying APC.

To find the list of journals suitable for Read and Publish:

<https://libraries.acm.org/subscriptions-access/publications-eligible-for-oa>

Cambridge University Press (CUP)

Within the scope of the "Read and Publish" Agreement between ANKOS and CUP, no APC will be charged in case of open access publication in journals classified as Hybrid Open Access and Gold Open Access.

More than 450 peer-reviewed, scientific journals on Medicine, Engineering, Physics, Social Sciences, Mathematics, Psychology and many other subjects are accessed in the CJO database.

Within the scope of the Read and Publish Agreement, authors of subscription institutions will be able to publish their articles in hybrid and gold open access Cambridge University Press journals as open access without paying APC. During the agreement, there will be no restrictions imposed by the publisher on publishing articles in hybrid and gold open access journals.
