ON THE ROAD TO ANTALYA G-20 SUMMIT: GLOBAL ENERGY SECURITY TODAY AND TOMORROW

May 15, 2015, Friday, Conrad Hotel, Istanbul

*Istanbul International Center for Energy and Climate (IICEC) cordially invites you to participate to the IICEC 6th International Energy Forum which will be held on **May 15, 2015**, at the Conrad Hotel Istanbul. Prime Minister of the Republic of Turkey, His Excellency Ahmet DAVUTOGLU and Minister of Energy and Natural Resources, His Excellency Taner YILDIZ's attendance is expected.*

IICEC 4th International Energy Forum (2013) "Towards a New Global Energy Landscape: What Role for Turkey?" and IICEC 5th International Energy Forum (2014) "Global Energy Investments: Challenges and Opportunities" brought together distinguished speakers and decision-makers on local and global energy policies, receiving brilliant feedback accompanied by huge media coverage.

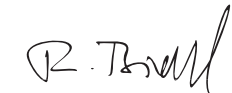

IICEC 6th International Energy Forum, "On The Road to Antalya G-20 Summit: Global Energy Security Today and Tomorrow" will once again bring together top level government leaders, energy industry executives, high-level representatives from the leading universities, policy centers and international think-tanks from around the world for exchange of ideas.

We look forward to hearing your kind reply of your participation to this important forum and your invaluable contribution to this event in creating a more secure, sustainable and prosperous global energy future.
