

Where Global Energy Connects...

Dear _____,

Sabancı University Istanbul International Center for Energy and Climate - **IICEC 6th International Energy Forum** will be held on **May 15, 2015**, at the Conrad Hotel Istanbul, Turkey.

IICEC received brilliant feedback accompanied by huge media coverage for the 4th and 5th IICEC International Energy Forums. IICEC 4th International Energy Forum (2013) was held under the title of *"Towards a New Global Energy Landscape: What Role for Turkey?"*, bringing together distinguished speakers and decision-makers on local and global energy policies. IICEC 5th International Energy Forum (2014), *"Global Energy Investments: Challenges and Opportunities"*, aimed to identify different kinds of investment challenges that global energy markets face, and various policy solutions were discussed.

IICEC 6th International Energy Forum, "On The Road to Antalya G-20 Summit: Global Energy Security Today And Tomorrow", will once again host top level government officials and CEOs, high-level representatives from the leading universities, policy centers and international think-tanks from around the world for exchange of ideas. **Please very kindly note May 15, 2015 in your agendas.**

Sincerely yours,

Güler Sabancı

Chairperson of the Board of Trustees
Sabancı University

Dr. Fatih Birol

Honorary Chairman
IICEC Steering Committee
