

A High-Level By-Invitation-Only Government, Industry and Academia Forum Organized by

IICEC

SABANCI UNIVERSITY
ISTANBUL INTERNATIONAL
CENTER FOR ENERGY AND CLIMATE

PARIS COP21: WHAT IMPLICATIONS FOR ENERGY INDUSTRY?

June 10, 2016, Friday, Conrad Hotel, Istanbul

Istanbul International Center for Energy and Climate (IICEC) cordially invites you to participate to the IICEC 7th International Energy and Climate Forum which will be held on June 10, 2016, at the Conrad Hotel Istanbul.

Prime Minister of the Republic of Turkey, His Excellency Ahmet DAVUTOĞLU and Minister of Energy and Natural Resources, His Excellency Berat ALBAYRAK's attendance is expected.

IICEC International Energy Forum series, "Towards a New Global Energy Landscape: What Role for Turkey?" (2013), "Global Energy Investments: Challenges and Opportunities" (2014), and "On the Road to G-20 Antalya Summit: Global Energy Security Today and Tomorrow" (2015) brought together distinguished speakers and decision-makers on local and global energy policies, receiving brilliant feedback accompanied by huge media coverage.

IICEC 7th International Energy and Climate Forum "Paris COP21: What Implications for Energy Industry?" will once again bring together top level government leaders, energy industry executives, high-level representatives from the leading universities, policy centers and international think-tanks from around the world for exchange of ideas.

We look forward to hearing your kind reply of your participation to this important forum and your invaluable contribution to this event in creating a more secure, sustainable and prosperous global energy future.

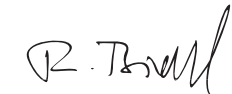

Sincerely yours,

Güler SABANCI

Founding Chairman of the Board of Trustees
